

5th Annual Red River Bike Rally

Saturday, August 14, 2010

Austin College | Sherman, Texas

www.KiwanisRedRiverRally.com

Rolling hills, open roads, a rural backdrop, and Southern hospitality ... you'll find it all at the Red River Bike Rally! Affectionately dubbed by riders as "Hotter than Hotter'N Hell", it's the ideal preparation for one of the most exciting rides in the nation.

Take your pick of four routes: 25 miles, 44 miles, 66 miles, and 100 miles. Each one offers a unique and challenging experience along with plenty of ride support and fully stocked rest stops. Apple Stadium at Austin College is the start and finish line; you'll begin your ride in historic downtown Sherman, and within minutes you'll find yourself in rural North Texas, focusing on the country roads and rolling hills. Rider participation has tripled in the past two years because we offer such a fabulous experience! Best of all, 100% of your entry fee will support programs dedicated to serving the interests of local children. *Online registration available.*
